SCHEDULE

classes for foreign students of the 1st year (V batch) of the General Medicine faculty, specialty General Medicine (**foreign students from cJI141-cJI146, cJI153-cJI156**)

Theoretical training – 01.02-26.06.2025 Timeframe of the test and examination session – 27.06-05.07.2025.

Industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile)) - during the semester; Industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile)) - during the semester; Holidays-07.07-31.08.2025.

	cJI141, cJI142	cJI143, cJI144	cJI145, cJI146	cJI153, cJI154	cJI155, cJI156	cJI157, cJI158	cJI159, cJI160
Monday	8.30-10.10 LECTURE – Philosophy (9) - weekly until 31.03; Physical culture and sport (2) - 07.04, 14.04 with the use of distance learning technologies						
	10.20-12.00 LECTURE – History of Russia (7) - odd week on 05.05; History of Medicine (8) - even week to 12.05 with the use of distance learning technologies						
	13.00-14.40 history of medicine-even week philosophy-odd week 15.40-17.20 history of russia - odd week	13.00-14.40 history of medicine - odd week philosophy-even week 15.40-19.20 grammar of the russian language	13.00-14.40 philosophy - even week history of medicine-odd week 15.40-17.20 history of russia - even week	13.00-16.30 (03.02-02.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile))	13.00-16.30 (03.02-02.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile))	13.00-16.30 normal physiology	13.00-14.40 histology, embryology, cytology 15.40-17.20 philosophy-odd week
Tuesday	10.20-12.00 LECTURE – Biology (14) - weekly until 13.05 auditorium №2 of the Morphological building						
	12.30-14.10 LECTURE – Anatomy (7) - odd week until 20.05; Histology, embryology, cytology (7) - even week until 13.05 auditorium №1 of the Morphological building						
	14.20-16.00 histology, embryology, cytology 16.50-18.30 physical training (elective modules)	14.20-17.50 anatomy	14.40-18.10 biology	15.10-16.50 biochemistry 17.00-20.30 russian grammar	15.10-16.50 history of medicine-odd week history of Russia-even week	14.20-17.50 anatomy	8.00-9.40 physical training (elective modules) 15.10-16.50 physics

Wednesday	8.30-12.00 normal physiology 12.30-14.10 foreign language 14.20-16.00 physics 16.30-20.00 russian grammar	8.30-10.10 foreign language 11.10-14.40 (05.02-18.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile))	8.30-12.00 anatomy 12.30-14.10 histology, embryology, cytology 15.10-16.50 foreign language 17.00-18.40 russian grammar	8.30-12.00 normal physiology 12.30-14.10 history of medicine-even week history of Russia - odd week 14.20-16.00 philosophy - even week 17.00-18.40 latin language	8.30-12.00 (05.02-18.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile)) 13.00-14.40 foreign language 15.40-17.20 latin language	8.30-10.10 histology, embryology, cytology 11.10-16.30 (19.02-16.04) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile)) 11.10-16.30 (23.04-18.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile))	8/30-10/10 latin language 11.10-16.30 (19.02-16.04) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile)) 11.10-16.30 (23.04-18.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile))
Thursday	8.30-15.40 (06.02-03.04) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile)) 13.00-15.40 (10.04-26.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile))	8.30-12.00 normal physiology 12.30-14.10 history of russia-even week 15.10-18.40 (06.02-26.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile))	8.00-9.40 physical training (elective modules) 10.20-12.00 biochemistry 13.00-16.30 (06.02-26.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile)) 17.30-19.10 latin language	8.30-10.10 foreign language 10.20-12.00 physics 13.00-16.30 (06.02-26.06) industrial practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile))	8.30-12.00 anatomy 13.00-16.30 normal physiology 17.00-18.40 grammar of the russian language	8.30-12.00 biology 13.00-14.40 physical training (elective modules) 15.20-17.00 biochemistry	8.30-12.00 biology 12.30-16.00 anatomy 16.50-20.20 grammar of the russian language
Fri da	8.30-10.10 LECTURE – Physics (7) - even week until 02.05 Auditorium №4 of the Main Building 10.20-12.00 LECTURE – Biochemistry (7) - odd week until 16.05; Normal Physiology (7) - even week until 02.05 Auditorium №4 of the Main Building						

	12.30-14.10 biochemistry 15.10-16.50 latin language	12.30-14.10 physics 14.20-16.00 biochemistry 17.00-18.40 latin language	13.00-16.30 (07.02-13.06) production practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant of a ward nurse of a surgical profile))	13.00-16.30 anatomy	12.30-14.10 physics 14.20-16.00 biochemistry 16.50-18.30 physical training (elective modules)	12.30-14.10 history of medicine-even week history of russia-odd week 14.50-16.30 physics	12.30-14.10 foreign language 15.10-16.50 biochemistry
Saturday	8.30-12.00 biology 12.30-16.00 anatomy	8.00-9.40 physical training (elective modules) 10.20-12.00 histology, embryology, cytology 12.30-16.00 biology	8.30-12.00 normal physiology 12.30-14.10 physics 14.30-16.10 russian grammar	8.30.-12.00.00 biology 13.00-14.40 histology, embryology, cytology 15.10-16.50 physical training (elective modules)	8.00-9.40 grammar of the russian language 10.20-12.00 histology, embryology, cytology 12.30-16.00 biology	8.00-9.40 latin language 11.10-12.50 foreign language 13.00-16.30 russian grammar	10.20-12.00 history of medicine-even week history of russia-odd week 12.30-16.00 normal physiology

Duration of the lesson is 45 minutes; break between classes is at least 10 minutes

*** - Part of the classes are held in full-time format according to the schedule of the department**

CREDITS: Physics, Mathematics; Latin language; Foreign language; History of Medicine;

TESTS WITH ASSESSMENT: Philosophy; History of Russia; Production practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to the ward nurse of the surgical profile)); Production practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to the ward nurse of the therapeutic profile))

EXAM: Biology

Developed by:

Head of the Educational Department

L. A. Blintsova

AGREED:

Dean for Work with Foreign Students

D. N. Yemelyanov

Appendix to the schedule for **1st-year students** of the medical faculty, specialty General Medicine

№	Discipline	Department
1	Biology	Biology
2	Physics, Mathematics	Physics, Mathematics and Informatics
3	Latin language	Foreign and Latin Languages
4	Foreign language	Foreign and Latin languages
5	History of Medicine	History and Cultural Studies and History of Medicine
6	Philosophy	Philosophy, Bioethics and Law
7	History of Russia	History and Cultural Studies and History of Medicine
8	Anatomy	Anatomy
9	Biochemistry	Fundamental Medicine Clinical Biochemistry
10	Histology, Embryology, Cytology	Histology, Embryology, Cytology
11	Normal Physiology	Normal Physiology
12	Physical Culture and Sports	Physical Culture and Health
13	Physical training (elective modules)	Physical culture and health
14	Grammar of the Russian language / Scientific style of speech	Russian language and socio-cultural adaptation
15	Production practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a surgical profile))	General surgery
16	Production practice (practice for obtaining professional skills and professional experience in the positions of secondary medical personnel (assistant to a ward nurse of a therapeutic profile))	Internal diseases
